## WORK EXPERIENCE

---

**Full-Stack Developer / System Support (Freelance),  
MATIGDA – Bukidnon State University (<https://matigda.com>)** June 2025 - Present

- Developed and deployed a full yearbook management system used for handling yearbook profiles, payments, subscriptions, appointments, and inventory.
- Designed and implemented backend features (Laravel, PHP, PostgreSQL) and frontend interfaces (React/Next.js, Javascript, TailwindCSS).
- Delivers end-user support, manages technical incidents, performs routine maintenance, and assists in deploying updates, configurations, and fixes to ensure business continuity.

**Web Developer / Graphic Designer / Video Editor (Internship),  
LogicBase Interactive Ent (<https://www.logicbaseinteractive.com>).** January 2025 - May 2025

- Contributed to website development by improving layouts, interactions, and features, integrating components, and collaborating with developers to enhance performance.
- Created visual assets for web and social media, designed user-friendly interfaces using basic UI/UX principles, and collaborated on wireframes and prototypes.

**Founder / Creative / Marketing Lead, Krémora Dessert Shop** Sep 2025 - Dec 2025  
(<https://www.facebook.com/share/17jrM4dHJ8/?mibextid=wwXIfr>)

- Created visually appealing graphics and branding materials.
- Managed social media content, campaigns, and customer engagement.
- Developed and executed advertisements to boost brand visibility and sales.
